**THE ROLLING HILLS FOUNDATION
IN MEMORY OF NINA PERSELL**

The annual Rolling Hills Foundation Golf Classic is held in honor of the late Nina Persell.

Nina Persell was the Workshop Manager and in charge of all production at Rolling Hills for almost 25 years. She was instrumental in helping to establish Rolling Hills vocational training program as one of the finest vocational training programs for the disabled in the state of Illinois.

A quick summary of the overall purpose of the Foundation is to help Carroll County Citizens with disabilities have the appropriate work; social, recreational and economic opportunities to lead a more meaningful productive and fulfilling live. The Foundation realizes that given these opportunities the individual with a disability will also make a significant contribution to the betterment of his /her community and in turn enrich the lives of all of us.

A brochure full of details on The Foundation is available, just give us a call.
